TO: STATE POLICE COMMISSION

BY: TROOPER DERECK CLARK

State Police Commission

The Petition of Appeal, through undersigned counsel, of Trooper Dereck Clark, with respect, represents:

1.

Appellant is employed by the State of Louisiana Department of Public Safety and Corrections, Public Safety Services. He serves with permanent status in the classification of Trooper at Troop L. Appellant has nearly five years of State Police service.

2.

Appellant files this appeal pursuant to Chapter 13 of the State Police Commission Rules.

3.

By letter dated September 5, 2018, Appellant was suspended without pay for 12 hours. A copy of the letter of suspension is attached hereto as Exhibit "A".

4.

Appellant denies the allegations as written in the letter of suspension. Appellant avers that the disciplinary action imposed is unwarranted and unjustified.

5.

Appellant avers that the letter of discipline fails to contain the detail and specificity required by Chapter 12 of State Police Commission Rules. It is vague and indefinite.

6.

Appellant shows that he acted, at all times, in accordance with his training, experience and knowledge.

7.

Alternatively, Appellant avers that the penalty meted is too severe.

8.

The February 23, 2017 incident occurred more than one and one-half years ago and any discipline is belated and long after the expiration of the time limits.

9.

The incident involved a dangerous pursuit in New Orleans which ended with the suspects flipping their vehicle near the doorstep of St. Augustine High School.

10.

The suspects were heavily armed and presented a clear danger to the school children and residents in the area.

11.

Due to the immediate threat of danger, appellant decided to attempt to use his push bumper to confine the subjects inside the vehicle by placing the bumper against the door. This turned out to be unsuccessful but was a good forth effort on his part. This was not a crash situation. It was a legal intervention.

12.

A foot chase ensued after the best effort on appellant's part. He was injured in the foot chase, but continued to help protect the public and capture the subjects – a convicted felon with weapons and narcotics, black clothing and black ski masks.

13.

Appellant made a calculated choice to respond to the dangerous situation as he did. This was not a crash as contemplated by the policy. Appellant did not operate the vehicle in a careless manner, but attempted to use his push bumper to immediately de-escalate and control a very dangerous situation that put a lot of people in peril.

14.

Interestingly, Appellant received a Meritorious Service Award and a Service Injury Award for the Excellent Performance of his duties on this matter. See Exhibits B & C.

15.

It is totally incongruent that he is now being punished for his Excellent Performance.

RELIEF REQUESTED:

- 1) Rescission of the disciplinary action;
- 2) Alternatively, reduction of the penalty imposed;
- 3) Expungement of appellant's personnel record;
- 4) Payment of all back wages and emoluments;
- 5) Legal interest; and
- 6) Reasonable attorney fees.

WHEREFORE, Trooper Dereck Clark prays that this Petition of Appeal be deemed good and sufficient and after all legal delays and due proceedings are had, that the relief requested hereinabove be granted.

Appellant further prays for all general and equitable relief.

RE: SUSPENSION

Dear Trooper Clark:

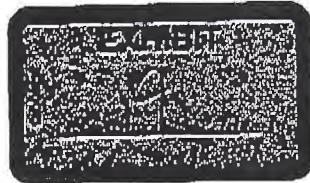

Pursuant to the authority granted by State Police Commission Rules 12.1, 12.2, and delegated to me by Colonel Kevin Reeves, you are hereby notified that you are being suspended without pay and allowances for 12 hours. Your suspension will begin at 0500 hours on September 24, 2018 and will end at 1700 hours that date. You shall report back to your assigned duty station at 0500 hours on September 26, 2018. You are suspended for the following reasons:

On February 23, 2017, at approximately 1045 hours, while on-duty in your assigned State Police unit, you were involved in a preventable crash in Orleans Parish. You responded to assist Trooper Carlos Pineda who was in an active pursuit of a vehicle that fled from a traffic stop on Rampart Street at St. Bernard Avenue. You eventually caught up to the pursuit and observed two occupants in the front of the suspect vehicle. The driver of the suspect vehicle aggressively overtook several vehicles nearly striking them while traveling on AP Turcaud, and the driver of the suspect vehicle lost control. The suspect vehicle jumped the grassy median, flipped, and struck a telephone pole in front of a public school on AP Turcaud.

You advised in your written incident report that you "decided to use your push bumpers in an attempt to stop the occupants from exiting the vehicle and causing further harm to the public." During your "attempt to place your vehicle's push bumpers on the vehicle," the driver exited the vehicle from the passenger side as you were "placing" your unit against the vehicle. Your unit's push bumpers "made slight impact" with the driver, however, he fled on foot.

As evidenced by the recording from your in car camera¹, your unit made significant impact with the suspect vehicle after striking one of the fleeing occupants. There was damage to your unit in the amount of \$3,740.33. The Fleet Crash Review Board² determined that a crash occurred, not use of legal intervention, and that the crash was preventable. I agree.

Your actions were in violation of Louisiana State Police Policy and Procedural Order No. 242(2)(ii) - VEHICLE USE, MAINTENANCE, AND REPAIR, which states in pertinent part:

Personnel shall drive all Department vehicles with prudence and care, mindful that abuse, misuse or recklessness reduces the operating efficiency of the Department's fleet.

This is not the first time you have been disciplined for violating this policy. By letter dated September 21, 2016, you were counseled for a preventable crash in which you were involved on September 24, 2015 in Orleans Parish. By letter dated January 26, 2017, you were reprimanded for a preventable crash in which you were involved on June 21, 2016 in Orleans Parish.³

Any future violations of this or any nature may result in more severe discipline, up to and including termination.

You have the right to appeal this action to the Louisiana State Police Commission. The time limits and procedure for appealing are contained in Chapter 13 of the State Police Commission Rules. A copy of Chapter 13 can be obtained from the State Police Commission. Their current mailing address is P.O. Box 66555, Baton Rouge, LA 70896-6555. Their current telephone number is (225) 925-7057 and their fax number is (225) 925-7058.

Your attention is directed to Louisiana State Police Policy and Procedure Order No. 2015.iv, which states:
